

Advertising opportunities

We aim to be creative with your marketing spend and offer a variety of options including editorial platforms, advertorials, inserts, gatefolds, front cover wraps as well as stand alone supplements. Online, we can offer advertorial, videos, leaderboards, sky scrapers, tile and banner adverts.

Travel Matters - WOW! Every issue is interesting, informative and thought provoking. Our adverts look great and have brought us business in already.

I thoroughly enjoy each edition of Travel Matters. It's easily the best and most relevant publication that I receive.
